**Subject:** [External] Docket 2018-320-E - Request

Jocelyn:

I write to you on behalf of the South Carolina Solar Business Alliance, Inc. ("SCSBA"). Please reference the March 28th filing by Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (together as the "Companies"), in Docket 2018-320-E. The Companies admit in the Companies filing that they have raised a new issue, "While the Companies did not raise this issue specifically in their Application..."

Also, the Companies consent to responsive comments in their filing, as follows, "The Companies acknowledge that this detail of the Programs has not been previously raised, and that other parties may want the opportunity to comment on this clarification, to which the Companies are not opposed."

Based on the foregoing and because of the importance of this issue, SCSBA respectfully request that this Commission allow SCSBA 30 days from the date of this Request, to file responsive comments. Please make the Commission aware of this Request. All parties of record are copied hereon, and this correspondence is,

Respectfully Submitted,  
 Richard L. Whitt,  
 As counsel for the South Carolina Solar Business Alliance, Inc.
